

INTRODUCTION

Budapest Bistro Csárda combines traditional Hungarian Cuisine with beloved international dishes, all prepared with the most modern and delicate culinary technology of the 21st century.

After it's opening in 2012, our restaurant went through a full renovation in the autumn of 2020.

Along with the spectacular new interior of our restaurant, that has exceeded all of our expectations, we have made some great efforts to provide our guests with even greater quality of food; our aim is to introduce the most excellent combination of traditional beverages and culinary novelties.

Our restaurant is located right in between the famously beautiful Parliament building and the Szabadság (Freedom) Square, where our spacious terrace area can host up to 120 guests who can enjoy the singing of birds and the professional and innovative service and expertise provided by our staff members.

Repeatedly being rewarded by winning the Best of Budapest and Trip Advisor's Traveler's Choice Awards is a great reflection of our professional engagement, perseverance and vision.

Come join us and let's go on this exciting gastronomic journey together!
